

Pay your rent, before it's **spent**.

Your home is important.
Protect it by paying your rent
on time.

Put paying your rent at the top of your Christmas list this year.

We know the Holiday Season puts a strain on your budget, but do think twice about delaying your rent or debt balance payments.

Every year, some people opt for a quick fix at Christmas – then struggle to catch up in the New Year.

If you really can't pay, contact us as soon as possible. We can help you maximise your benefits and refer you to other agencies for support and financial advice.

But if you choose not to pay, we will take action and you could lose your home.

Please don't ignore this leaflet. It's really not worth the risk.
